## THE GRADE EXERCISES

### A Very Interesting Program Presented Last Night

The school entertainment given last night at the high school building by the grades was attended by a large crowd of patrons and friends of the school and all seemed well pleased with every number on the program.

The music was furnished by the high school orchestra and there was also a young ladies quartet consisting of Eunice Dummit, Vera Boynton, Hazel Braymen and Etta Stevens.

In addition to motion songs and drills there was a reading by Elizabeth Harrison and a recitation by Paul Mathews.

The closing number was a Comedietta, "The Broken-Hearted Club" with twelve characters.

The entire entertainment showed careful thought and painstaking effort on the part of both teachers and pupils.

### Whooping Cough.

This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKeig of Harlan, Iowa says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by all druggists.

### G. A. R. Encampment Ends.

Joplin, Mo., May 13.—The Missouri Department of the G. A. R. closed its twenty-eighth annual encampment in this city today, selecting Warrensburg as next year's meeting place. The new officers are:

Department commander, W. H. Skinner, Bethany; senior vice commander, J. W. Lucas, Kidder; junior vice commander, L. A. Filmore, Joplin; medical director, W. F. Silverwood, St. Louis; chaplain, Robert R. Witten, Springfield; assistant adjutant general and assistant quartermaster general appointive, Thomas B. Rogers, St. Louis.

Mrs. Sam Boyd and Miss Mae Boyd, who visited Mrs. Julia Brown this week, returned to their home at Neosho last night.

The condition now before the American people is wheat \$1.25 to \$1.40 per bushel and flour \$1.80 per sack with no wheat to speak of in the hands of the producer and no flour in his chest. The "gamblers" on the board of trade are responsible for the inflated prices and the common people are the sufferers. As soon as the farmer gets the growing wheat crop ready for the market the "gamblers" will slip the price back to 75 or 80 cents per bushel.—Carthage Democrat.

### John Brown Battle-Field Sold To State.

Ottawa, Kan., May 13.—The famous John Brown battlefield at Ottawatomie is now the property of the state of Kansas. Major J. B. Remington, former owner turned over the deed today. The purchase price, \$1,000, was raised by the Woman's Relief Corps of the state. Formal exercises were held here this afternoon giving the property over to the state. One condition attaches—the caretaker to be an old soldier.

Any lady reader of this paper will receive, on request, a clever, "No-Drip" Coffee Strainer Coupon privilege, from Dr. Shoop, Racine, Wis. It is silver-plated, very pretty, and positively prevents all dripping of tea or coffee. The Doctor sends it with his new free book on "Health Coffee" simply to introduce this clever substitute for real coffee. Dr. Shoop's Health Coffee is gaining its great popularity because of first, its exquisite taste and flavor; second, its absolute healthfulness; third, its economy—1½ lb 25c; fourth, its convenience. No tedious 20 to 30 minutes boiling. "Made in a minute" says Dr. Shoop. Try it at your grocer's, for a pleasant surprise Shaffer Bros.

### Prohibition Measure Killed In Conference

Jefferson City, May 13.—The conference committees from the senate and the house, appointed in an effort to reach an agreement on the proposed constitutional amendment for state-wide prohibition and on the tax rider added to the bill, failed utterly to agree at a meeting last night. They will report to the senate and house today their failure to agree, which practically kills all hopes of the measure passing at this session.

### Notice to Delinquent Taxpayers

In accordance with Sec. 9228 of the Revised Statutes of the State of Missouri, for the collection of revenue, I am going to taking off tax bills immediately, and to save extra costs these delinquent taxes should be paid. The law requires me to bring suit, the cost of which in many cases is many times the amount of the taxes.

To those owing delinquent taxes I take this method of calling their attention to the matter with the hope that they will settle the same at once. By so doing you will avoid further cost, interest and penalties.
